FULLCARE 1270C

Type of Adhesive FULLCARE 1270C is a new advanced polyolefin based hot melt adhesive for nonwoven with high wet strength along with excellent melt stability, very good penetration and wettability. This hot melt adhesive is highly suitable for the construction of nappies, feminine care, adult incontinence, or hospital articles.

Product Benefits Excellent bond performance, high peel strength can enable lower add-ons to deliver cost in use benefits. Delivers non-blocking/bleed through/low strike through performance even under elevated ambient temperatures.

Typical Applications All kinds of spray, slot or bead applications for bonding nonwoven and hygiene applications.

Typical Properties

Raw material base	Polymer
Colour (Gardner)	2
Ring and Ball Softening Point (°C)	105 -110°C
Viscosity at 149°C	ca. 6,500 cP
Specific Gravity	0.95
Application Temperature Range	120 - 170°C (application system dependent)
Application Equipment	A broad range of spray, slot or bead applications
Shelf Life	1 Year in closed original pack and stored at ambient temperature out of direct sunlight, moisture or dust
Safety Advice	Please refer to the SDS for safety advice.

Our Focus is Clear. Perfecting Adhesives.

IMPORTANT: Information, specifications, procedures and recommendations provided ("information") are based on our experience and we believe this to be accurate. No representation, guarantee or warranty is made as to the accuracy or completeness of the information or that use of the product will avoid losses or damages or give desired results. It is purchaser's sole responsibility to test and determine the suitability of any product for the intended use. Tests should be repeated if materials or conditions change in any way. No employee, distributor or agent has any right to change these facts and offer a guarantee of performance.

NOTE TO USER: by ordering/receiving product you accept the H.B. Fuller General Terms and Conditions of Sale applicable in the region. Please request a copy if you have not received these. These Terms and Conditions contain disclaimers of implied warranties (including but not limited to disclaiming warranties of fitness for a particular purpose) and limits of liability. All other terms are rejected. In any event, the total aggregate liability of H.B. Fuller for any claim or series of related claims however arising, in contract, tort (including negligence), breach of statutory duty, misrepresentation, strict liability or otherwise, is limited to replacement of affected products or refund of the purchase price for affected products. H.B. Fuller shall not be liable for loss of profit, loss of margin, loss of contract, loss of business, loss of goodwill or any indirect or consequential losses arising out of or in connection with product supply.

Nothing in any term shall operate to exclude or limit H.B. Fuller's liability for fraud, gross negligence or for death or personal injury caused by negligence or for breach of any mandatory implied terms.
